## Testimony from Deborah Alero King

"As a casual staff at Select Lifestyles Ltd, Nicola Doyle is my service manager at Horsehills Drive, truth be told my lovelies, she deserves appreciation and kind words.

In addition, I learned under her tutelage in a hard and corrective way because I was new to the health sector and as an international student at Coventry University that is new to the UK with a passion for caring, supporting, making others happy and working hard to deliver my responsibilities with utmost love, happiness, and fun. However, this reshaped my ideology about the profession. Conclusively, Nicola Doyle and my other colleagues at Horsehills Drive Service challenged me positively to be a better-improved Support Worker for Adults with Learning Disabilities in all ramifications of work. Today, I am proud to be a Support Worker that knows her onions very well. Thank you, Nicola Doyle and I love my #SelectLifestylesFamily."

## Success Story

I am very happy with the support that you and the staff team offered to me and the other professionals to ensure Tarenbir's move to St Marks went well. You were all so accommodating and were willing to help whenever asked. It is clear that he has developed a positive relationship with you and the others that he lives with. Thank you for all of your help and support over the last few months.

Hope to work with you in the future!  
Kind Regards,

Social Worker

We understand that times are getting tough with the rise of the cost of living. Please remember that if you need to talk to anyone, our Mental Health First Aid team is always available. Please email [mentalhealthfirstaid@selectlifestyles.co.uk](mailto:mentalhealthfirstaid@selectlifestyles.co.uk) to book an appointment. ## Update on the Board of Directors

It breaks our heart to inform you that Denise Cahill has stepped down from her position as a Non-Executive Board. Dee opened our first service: Riverside Day Centre, and since then has fought tirelessly for our client's and staff's rights. Dee will still be a part of Select Lifestyles as a shareholder, so you will still see her around. Thank you for all you have done for us, Dee!

On a more positive note, Emma Franks has agreed to join the board as an Executive Director. Emma has been a real success story working her way through different management positions within Select Lifestyles to directorship. She will help us on our journey to become the best care provider and employers in the sector. All the best, Emma!"

## Select Lifestyles Charitable Trust

During our fun fair, you may have noticed the Charitable Trust gazebo at the entrance. The volunteer team were busy raising awareness and money for our charity by selling tickets for a Christmas raffle. On the day, we successfully raised £1,000 thanks to you and your generosity. If you would like a raffle ticket, please call head office to learn how to get yours.

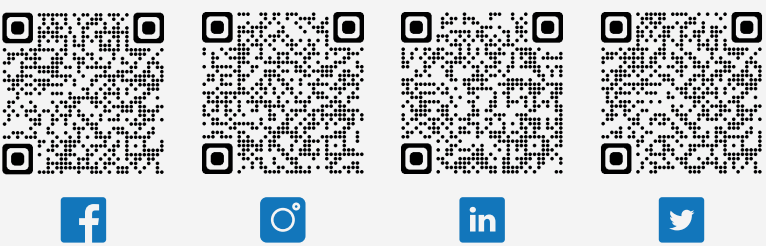

Applications to request funds are still open, so please email: [info@selectlifestyles.charity](mailto:info@selectlifestyles.charity) to receive a form.

## Happy 15th Birthday Select Lifestyles

Did you know on the 30th of July, Select Lifestyles will be turning 15 years young? That's right! 15 years ago, our Directors had the idea to open our first service, a day centre in the Birmingham area supporting adults from the local surrounding areas. Over the next few months, we'll be planning our celebrations, so please look out for more details.

## A Message from the Managing Director

Dear Colleagues,

Hello to everyone, I would just like to say how wonderful it was to see everyone associated with Select Lifestyles, having such a great time with their families and friends at the inaugural Select Lifestyles Fun Day at Dartmouth Park on Saturday 18 June.

It was great to be able to say thank you to everyone for their hard work and perseverance during the COVID-19 pandemic and am sorry if you happened to encounter my driving skills on the Bumper cars. We hope as a company you have taken away many happy memories from your day. The rain did very little to dampen our spirits and over 1000 people attended on the day with all guests enjoying unlimited rides, arts and crafts and complimentary food and drink.

We are now exploring ideas for next year's summer extravaganza and hoping the weather is kinder to us next year. A massive thanks to everyone who attended and to Pat Collins funfair for creating a memorable event for us all.

Kindest regards  
Nick Horton
