Masquerade Ball

On Friday 7th October, the charity held a masquerade ball to help raise funds and awareness of the charity. Staff members and Select Lifestyles' suppliers had a spectacular evening.

First Charity Giveaway

Dudding Road had a newly landscaped garden but nowhere to sit to enjoy the space during the summer months. So, Select Lifestyles Charitable Trust was able to purchase two picnic tables to help them enjoy their garden.

Applications to request funds are still open, just email... info@selectlifestyles.charity to receive a form.

A Message from the Executive Director

Hi everyone,

I hope you all had a great summer. Autumn/winter is upon us, and it is my favourite time of the year! There's lots of exciting things to look forward to, from pumpkin picking to fireworks leading up to the festivities of Christmas.

Over the last few years, we have taken on board suggestions and comments from staff on the difficulty getting to our head office for training, interviews, and meetings. Those of you who have attended training recently will have seen the brand-new training floor at head office. The new office is also in the centre of West Bromwich with much more room, plus great transport links making it much easier to get to us.

I am excited to see what you all have planned over the next few months and encourage you to share your photos, memories, and stories with Constance to be used on our socials and, of course, the newsletter.

As always, I'd like to thank all our staff for their hard work and dedication over the last year. I am certainly looking forward to seeing what 2023 has to offer.

Kindest regards

Emma Franks - Executive Director,
Head of Operations

Success Story

Meet Bradley Thompson, former resident of Peacock Close. Bradley has lived with Select Lifestyles for many years and through the fantastic staff at Peacock Close, he has been able to gain his independent living skills. This has allowed Bradley to move into his own flat without any support!
